

Kristen Healy, MPAS, PA-C

Kristen has been practicing clinically as a PA since 2003. She began her career in Emergency Medicine where she was on the first inaugural team of ER PA's at Brigham and Women's Hospital in Boston. She also practiced Emergency Medicine at Mount Auburn Hospital and Cambridge Hospital in Boston, and Northside Hospital in Atlanta. Since 2006, she has worked in Urgent Care and also has experience in Occupational Health and Primary Care. She holds a Masters of PA Studies from Massachusetts College of Pharmacy and Health Sciences and recently has obtained certification in Artificial Intelligence in Healthcare through the University of Illinois-Urbana Champaign. She has enjoyed providing medico-legal expert witness services throughout her career. She is a member of the AAPA and APALM.
